

Kodak E1030/E1040 Scanners

Scan. Send. Done.

Powerful, compact scanners speed information capture, access, and archiving

Capture information from paper and send to wherever you need as you boost efficiency and productivity. **Kodak** E1030/E1040 Scanners are compact, accurate, and reliable to help you do more with your information. E1030/1040 Scanners fit perfectly into businesses, home offices, workgroups, and reception areas—smoothly integrating with existing applications and environments from network to Cloud.

Turn your paper into productivity

Too many paper documents slow work and degrade customer satisfaction. With **Kodak** E1030/E1040 Scanners, you capture important information from paper quickly, then send, save, and access it digitally.

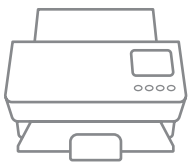

- Scan with ease through intuitive controls and simplified set-up
- Capture information fast with “instant on” technology
- Scan almost everything—differing paper sizes and weights, even ID and hard cards
- Send documents to the right places and people instantly, empowering information access for everyone

Unsurpassed peace of mind and protection

When you scan one-of-a-kind originals, you'll know they're safeguarded through our multi-feed detection and a smooth, proven paper path. It's reliable, virtually jam-free scanning.

- Easily process up to 5,000 pages per day—capturing up to 40 pages per minute—depending on model
- Out of the box protection with our three-year warranty
- Backed by industry leading service and support, plus an array of flexible, customizable service plans that go beyond your original warranty

Key advantages

Space saving, compact design

Scanners are approachable, quiet, and simple to use

Make images look even better than originals

New Dual-Sided Illumination and Perfect Page technology deliver the cleanest images for optimal Optical Character Recognition (OCR) accuracy

Scan and send information with one-button

Included Smart Touch technology is available as a free download to simplify complex and repetitive tasks

Scan directly to apps

Be productive today and ready to scale up tomorrow—E1030/E1040 Scanners work with many business apps you use

Read barcode information accurately

Then quickly send data to applications

Key features

- 1 Easy to use numeric display enables one-touch scanning of up to 9 different jobs
- 2 Smart Touch functionality allows you to scan documents to a file location, common Cloud services, email, networked office printer, fax, and third-party applications
- 3 Scan passports, small, thick, and fragile documents with optional **Kodak** Passport or integrated **Kodak** A4/Legal Size Flatbed Accessory
- 4 Capture more documents at once with largest feeder capacity in its class
- 5 Multiple driver compatibility: TWAIN, ISIS, and LINUX
